Course Director

Armin G. Segarra, DMD obtained his degree from the Univ. of the Philippines in 1986. He has been in the academe since 1988. He earned two certificates in Advanced Education in General Dentistry from the University of Minnesota (1995-1996, 1996-1997), a full time clinical residency program, under full scholarship. He is a Fellow of dental honor societies e.g. Academy of Dentistry International, Pierre Fauchard Academy and International College of Dentists and has authored several clinical articles on clinical restorative dentistry in local peer-reviewed journals. He maintains a private practice and is the chief dentist of the Belo Medical Group thru the Premiere Dental Group. Dr. Segarra is one of the most sought after lecturers in Esthetic and Restorative Dentistry in the country. He is currently an Assistant Professor in Operative Dentistry and Fixed Partial Prosthodontics at the UP College of Dentistry.

About the Instructors

Vicente O. Medina III, DMD, PhD is currently the Dean of the Univ. of the Phil. College of Dentistry. He obtained his DMD degree from the same University in 1986. He earned his PhD (Research in Operative Dentistry), a full time 5 year program, from the Nippon Dental University, School of Dentistry in Niigata Japan, under the Monbusho (Japanese Ministry of Education) Scholarship. He is also currently the faculty-in-charge of Restorative Dentistry at the UP College of Dentistry. He has authored several research papers in international peer-reviewed journals and is a recipient of the International Publication Award from the UP System. Dean Medina is also a Visiting Professor at the Nippon Dental University, Niigata Japan.

Heherson M. Tumang, DMD, MHPEd is currently the Chairman of the Dept. of Clinical Dental Health Sciences of the Univ. of the Phil College of Dentistry. He graduated from the same university in 1980. He earned his Masters in Health Profession Education from the National Teachers Training Center, University of the Philippines Manila. He is an Associate Professor and faculty-in-charge of Fixed Partial Prosthodontics at the UP College of Dentistry. He is a sought after resource person and has created several modules on the topic of fixed partial prostheses and didactic and clinical instruction.

Michelle Sunico-Segarra, DMD, MOH graduated from the Univ. of the Philippines College of Dentistry in 1991. She has been a faculty member of the same university since 1992 and is at present an Associate Professor in Oral Anatomy, Clinical Restorative Dentistry and Clinical Pediatric Dentistry. She was a full time research fellow in Operative Dentistry under Monbusho (Japanese Ministry of Education) scholarship at the Nippon Dental University, School of Dentistry, Niigata Japan. She has been invited several times as a Visiting Researcher at the Cariology and Operative Dentistry, Department of Restorative Sciences, Graduate School, Tokyo Medical and Dental University (in 2004 and 2006). She has authored several research and clinical articles in international and local peer reviewed journals. She is the present Editor-in-Chief of the Journal of the Philippine Dental Association. Dr. Sunico-Segarra has been awarded Outstanding Dentist in Dental Literature by the PDA in 2004.

Regina Isabel Santos-Morales, DMD obtained her Certificate in Periodontics from the Univ. of Pennsylvania in 1995. She was a clinical instructor and full-time lecturer at the Dept. of Periodontics of the same University from 1994-1996. She is the only Filipino diplomate of the American Academy of Periodontology who chose to practice in the Philippines. Dr. Morales is the author of several research and clinical articles in international peer-reviewed journals. She obtained her Doctor of Dental Medicine degree from the University of the Philippines Manila in 1992. Dr. Morales is one of the most sought after and credible resource speakers and practitioner in Periodontics in the country. Her practice focuses of Periodontics and Implants.

Jonathan F. Fandalian, DMD graduated from the University of the Philippines Manila in 1997. He finished his Residency in Temporomandibular Disorders and Orofacial Pain under Michael Gelb and Dr. Gary Heir at the New York University. He also finished a mini-residency in Temporomandibular Disorders and Orofacial Pain under Dr. Jeffrey Okeson at the University of Kentucky, USA. He has given several well-attended lectures on Oro-facial Pain, Temporomandibular Disorders and Occlusion and maintains a busy private practice.

Vivian C. Virata, DMD, MS finished her Masters of Science in Periodontics at Columbia University, USA. She is currently a Professorial Lecturer at the Graduate School, UP College of Dentistry. She obtained her DMD degree from the University of the Philippines in 1995. She has delivered numerous lectures in Periodontics all over the country and has authored several clinical and review of literature articles in local journals.

Xenia Velmonte, DMD is a practicing Oral and Maxillofacial surgeon at the Asian Hospital, Makati Medical Center and Our Lady of Peace Hospital in Las Pinas. She completed her Oral and Maxillofacial Surgery training at the St. Martin de Porres Hospital. She is an amateur photographer and one of her main interest is intraoral digital photography. Her photographic work has been seen and used in numerous presentations and publications. Dr. Velmonte graduated from the UP College of Dentistry in 1992.

Arnon L. Rivera, DMD is the Founding President of the National Association of Dental Prosthetic Laboratories Inc (NADLI) and is a consultant to the TESDA for the development of training regulations and education for dental technicians. He is a consultant on dental materials and equipment of Shofu, Philippines and Sterngold Philippines. He is also a teaching consultant of the St. Jude Medical Center. Dr. Rivera obtained his DMD degree from the University of the Philippines Manila in 1989 and finished his Post-Graduate Training on Implant Dentistry at the St. Jude Medical Center.

Melanie Ruth Karganilla-Frange, DMD is currently the Head of the Oral Medicine Section of the University of the Phil College of Dentistry. She obtained her post-graduate training in Periodontics and Implant Dentistry at the University of Heidelberg, Germany. She has attended and presented in several national and international conventions in Periodontology. Dr. Frange graduated from the UP College of Dentistry in 1994 and maintains a private practice at St. Luke's Medical Center.
